**ADDITIONAL SUPERVISED RELEASE TERMS**

1. The defendant shall not use or possess any controlled substance or intoxicants (to include alcohol); and shall participate in a program of drug and alcohol abuse therapy to the satisfaction of the supervising officer. This shall include testing to determine if the defendant has made use of drugs or intoxicants. The defendant shall submit to one test within 15 days of release from imprisonment and at least two additional tests during the term of supervision, but not more than 70 tests per calendar year thereafter, as directed by the probation officer. The defendant shall pay/co-pay for services provided during the course of such treatment to the supervising officer's satisfaction. The defendant shall refrain from obstructing or attempting to obstruct or tamper, in any fashion, with the efficiency or accuracy of any testing for drugs or intoxicants;

4. The defendant shall at all times readily submit to a search of his residence, and of any other premises under his dominion and control, by his supervising officer, upon the officer's request when the officer has reasonable basis to believe that such a search will lead to the discovery of evidence of the defendant's violation of the terms of his supervised release, including pornographic materials which the defendant is prohibited from possessing under the rules of his sex offender treatment program. The Court directs the supervising officer to consider the opinions and recommendations of the defendant's expert witnesses in determining the correct treatment program for the defendant.
